

Multi-use, Mountable Retractable Barriers

Options, options, options! With our WM412-Series wall mounted RETRACTA-BELT® stanchions, you can choose your belt length, body color, mounting and belt end styles & belts. From wall plates to recessed doors to magnetic wall mounted retractable belt barriers, this wall stanchion has your front-end & back-end applications covered. With no posts to store, wall barrier units offer quick setup & free up floor space.

Features

- **High-impact polycarbonate construction.** Internal mechanism and body are polycarbonate for long term durability.
- **Fixed/removable mounting plate** is permanently attached to a surface. WM412 body slides on and off and can be "fixed" via a screw.
- Extended top ridge protects the unit during falls.
- **Ten Year Warranty**

Retail (Recessed Wall Mount Shown)

Warehouse (Magnetic Wall Mount Shown)

3 finishes available: Yellow, Black or Red.

Thick and durable belt: 25 belt colors or dye-sub/silk screen nearly any design.

Universal belt end: Works with nearly every stanchion. Built-in locks to prevent accidental release.

Options & Upgrades

- **Additional mounting plates available** to use one wall mount in multiple locations.
- **3 additional mounting methods available:** Magnetic, hose clamp, and recessed wall mount. See back for details.
- 3 Belt End Upgrades available. See back for details.
