

Stability for extreme environments.

The 72 lbs. Ultra Heavy Duty Rubber Base is compatible with any standard **RETRACTA-BELT**[®] or Sign Post. The weight and design ensures your signs and crowd control posts remain stable in extremely windy environments.

Features

- ▶ **72 lbs. base:** ultra heavy for maximum stability.
- ▶ **Recycled rubber construction:** highly weatherproof, rust proof and nearly indestructible.
- ▶ **Slide-in base connection:** allows for easy and repeatable assembly of the post. No tools required, no connections to wear out.
- ▶ **Versatile use:** accepts any standard **RETRACTA-BELT**[®] or Sign Post.
- ▶ **10 year warranty.**
